

SKETCHING OUT YOUR DESIGN ASSIGNMENT

Sketch out a gut spread.

- Include: Headline, 6-9 Photos, 2 Mods, ACD (All Coverage Device).
- Draw on 8.5x11 in. paper — I highly suggest using grid or line paper!
- The proportions don't have to be entirely accurate, so don't worry about measuring out the right scale.
- Use markers, pens and pencils to make your content distinct from each other.
- Submit a JPEG of your sketch. (You can scan your assignment or take a photo of it.)

Create your spread digitally (OPTIONAL, but extra points! :D)

- Take your sketch to the screen and mock up your spread.
- Export your spread into a JPEG and submit BOTH your sketch and finalized spread.

Don't hesitate to reach out to me if you have any questions or concerns.

See you on Sunday, 7/26 from 5-5:30pm (PST) at the Fast Track Q&A.
